

Fairy Tale - Rough Draft

Once upon a time there was a girl named Linda. She lived in a cottage in the forest with her Mom. Linda loved fairy tales. She had a huge collection of fairy tales in her room and she had always wished she could be in one but she knew that would not come true. She read at least two fairy tale books a day and her favorite one was Goldielocks and the Three Bears. Linda didn't know why, she just loved it, and everybody said she looked like her. She had very light blonde hair and it had big yellow locks. She always wore this pink poofy dress sitting at her desk reading Goldielocks and the Three Bears. Linda had a mom named, Aaliyah. "Honey! I brought you a sandwich with your favorite - banana and peanut butter" Aaliyah said. "Thank you, Mom!" Linda said with joy. "So, cupcake - what are you reading," Aaliyah said. "Just my normal, Goldielocks and the Three Bears!" Linda said. "Well, you look like her so much," Aaliyah said quietly. "Oh, Mom! I know. Everybody says that to me!" Linda said. "Ok, you can go finish up your sandwich and milk and then go to bed." mom said. "Got it, Mom." Linda said. 15-20 minutes later. Linda came into the kitchen because her mom was on the couch watching Wheel of Fortune. "Mom, I'm ready!" Linda said. "Okay, honey. I will be there in a minute" Aaliyah said. Linda walked away to her room as her slippers dragged across the wooden floor. Her mom came in in about 5 minutes. Ugh why are you reading your book you are supposed to be in bed so I can talk you in. sorry mom It helps me sleep Linda said. Ughhh like I'm ever going to believe that. The mom said. Mom this time is different! Okay now go to bed her mom says as she takes her book out of Linda's hands. "Good night, Honey. Love you." she says as she cracks the door and walks to the couch. About an hour later, Linda knows her mom will be asleep and she knows that because the TV is playing a different show. So, Linda walks to the couch withOUT her slippers. And Snatches the book right out of her mom's hand because she can't sleep without reading a bit of one of her books. Soon she falls asleep and wakes up in the morning from her mom calling her name. Linda! Aaliyah Shouts I made you banana pancakes! Come here and eat them! Coming! Linda shouts. She slides with her slippers to the kitchen. And chomps down her pancakes. Is it weird that I feel weird? Linda says while she is laughing. No. Aaliyah says. Maybe you did not get a good night's sleep. Oh. okay. I'm done . I'm going to finish Pinocchio! Okay finished with Pinocchio! Linda said to herself in her room. Okay I think now I should read the newest edition of fairy tale favorites. ALL of my favorite fairy tales in one book. So exciting! About two pages into the book, her body started to swirl into the book! Ahhhhhhhhh! Linda yielded as she swirled into the book. But her mom was not there and her mom ahd run to work. And her dad was in the navy. Her dog came running into her room. Her dog's name was jersey. Ruff ruff! Jersey barked. "Jersey!" Linda shouted as she got sucked into the book. UGH, what is this place, AHHHHHHHH! She screamed in excitement as she got an idea. "I'm in a FAIRY TALE!!!!" as she looked around...So Linda see's someone and says Where is this place? the person turns back to Linda and says what?Nevermind Linda says frightened. Who are you? The next morning, Linda finally comes up with an answer. Yes! I will be Goldilocks. We need to tell the mayor, Humpty says. So they head down to the mayor's office. They explain the situation and the mayor says, Yes! Linda is so excited. They go to the story making hall and the people explain to Linda how she needs to make the story. Linda gets into the process of making the story. Woof! Linda says, I finished for the day! Yeesh, I wonder how Goldilocks does that every day, Linda said. It's kind of easy once you get used to it, HUmpy says while he hands Linda a water bottle. Thanks, Linda says. Now, I need to go home to my family, Linda explains. The whole town cheers and says Thank you to Linda for being here, everybody whispers to each other "how is she going to get home?"Humpty takes Linda to the Fairy Tale Lands wiseman. He tells them, "there is a secret hatch in one of the houses. It leads to the other world where Linda is from." Humpty and Linda have to check all of the houses. But, they spend all day doing it. They head back to Humpty's house because they give up for the day, Where do you want to sleep again, Linda. Says humpty. I'll sleep on the ground again, says Linda. In the middle of the night Linda wakes up because she is uncomfortable. What is poking me in my back, says Linda. She looks under her sleeping bag and finds a lever to a strange hatch. Humpty! Linda screams as she shakes Humpty awake. I found the hatch, she says, Humpty starts getting his shoes on. No, Humpty, you don't have to get your shoes on. It's in your house, Linda says. What, says Humpty. That's the one place we didn't check. The next thing Linda knows is that she is saying good-bye to Humpty and stepping down into the hatch. A few minutes later, she wakes up in her bed.

The End.
